This Amendment modifies Contract No. 12-28-029, for Electronic Poll Book by and between the County of Cook, Illinois, herein referred to as "County" and Votec Corporation, authorized to do business in the State of Illinois hereinafter referred to as "Contractor":

RECITALS

Whereas, the County and Contractor have entered into a Contract approved by the County Board on October 16, 2012, (hereinafter referred to as the "Contract"), wherein the Contractor is to provide an Electronic Poll Book (hereinafter referred to as the "Services") from December 1, 2012 through November 30, 2014, in an amount not to exceed \$912,200.00; and

Whereas, Amendment # 1 was executed on December 26, 2014 to extend the contract from December 1, 2014 through November 30, 2015 and increase the Contract by \$50,000.00; and

Whereas, the Contract will expire November 30, 2015, and the agreed upon Services are still required; and

Whereas, an extension is desired for the continuation of Services; and

Whereas, an increase in the amount of \$180,000.00 is required for the continuation of Services; and

Whereas, the County and Contractor desire to extend the Contract for one year beginning on December 1, 2015 through November 30, 2016.

Now therefore, in consideration of mutual covenants contained herein, it is agreed by and between the parties to amend the Contract as follows:

1. The Contract is extended through November 30, 2016.
2. The Contract is increased by \$180,000.00 and the Total Contract Amount is revised to \$1,142,200.00.
3. The attached Economic Disclosures Statement, Identification of Subcontractor/Supplier/Subconsultant Form, and MBE/WBE Utilization Plan forms are incorporated and made a part of this Contract.
4. Article 5b. Method of Payment of the Contract is deleted in its entirety and is revised as follows:

All invoices submitted by the Contractor shall be in accordance with the cost provisions contained in the Contract Documents and shall contain a detailed description of the Deliverables (i.e., the goods, equipment, supplies or services) including the quantity of the Deliverables, for which payment is requested. All invoices for services shall include itemized entries indicating the date or time period in which the services were provided, the amount of time spent performing the services, and a detailed description of the services provided during the period of the invoice. All invoices shall reflect the amounts invoiced by and the amounts paid to the Contractor as of the date of the invoice. Invoices for new charges shall not include "past due" amounts, if any, which amounts must be set forth on a separate invoice. Contractor shall not be entitled to invoice the County for any late fees or other penalties.

In accordance with Section 34-177 of the Cook County Procurement Code, the County shall have a right to set off and subtract from any invoice(s) or Contract price, a sum equal to any fines and penalties, including interest, for any tax or fee delinquency and any debt or obligation owed by the Contractor to the County.

The invoice must also reflect the dates and amount of time expended in the provision of services under the Contract. The Contractor acknowledges that any inaccurate statements or negligent or intentional misrepresentations in the invoices shall result in the County exercising all remedies available to it in law and equity including, but not limited to, a delay in payment or nonpayment to the Contractor, and reporting the matter to the Cook County Office of the Independent Inspector General. When a Contractor receives any payment from the County for any supplies, equipment, goods, or services, it has provided to the County pursuant to its Contract, the Contractor must make payment to its subcontractors within 15 days after receipt of payment from the County, provided that such subcontractor has satisfactorily provided the supplies, equipment, goods or services in accordance with the Contract and provided the Contractor with all of the documents and information required of the Contractor. The Contractor may delay or postpone payment to a subcontractor when the subcontractor's supplies, equipment, goods, or services do not comply with the requirements of the Contract, the Contractor is acting in good faith, and not in retaliation for a subcontractor exercising legal or contractual rights.

5. All other terms and conditions remain as stated in the Contract.

This business is on file as having registered with the State Board of Elections pursuant to Public Act 95-0971. This Public Act also required that this registration be electronic; however, at the time the law became effective on January 1, 2009, the capability to electronically register did not exist. Public Act 95-1038 was passed which allowed for paper filing until August 1, 2009, when on-line registration will be available for your use. At that time, all *must* re-register.

All businesses that have registered previously must re-register electronically by September 30, 2009. This includes those that are no longer required to update their registrations; for example, a business which registered and bid on a contract valued at more than \$50,000 during the first seven months of 2009, but which was not awarded the contract, still must re-register electronically. This is necessary to ensure a complete record of all businesses which have registered since the law became effective on January 1, 2009.

Beginning August 1, 2009, a business may register electronically by going to <https://BEREP.elections.il.gov>. The first step in the registration process is to create a user account. The user account must be activated by clicking on the link in the e-mail which will be sent from the Board to the person registering the user account. After the account has been created and activated, the user will enter the business name, address, identification number, phone number, and e-mail address. At the time of submission, the business name and identification number will be verified by the Illinois Department of Revenue. If verified, the user may begin entering affiliated entities and affiliated persons. An updated certificate of registration is produced upon registration as well as each time any required information is changed by the user, and may be printed at any time.

Every effort has been made to make this process as uncomplicated as possible; however, if a problem arises or you need assistance, please contact the State Board of Elections at 217-782-4141.

Sincerely;

Rupert T. Borgsmiller, Director
Campaign Disclosure Division

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

"Familial relationship" means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:

MBE/WBE Waiver Request Explanation

Submitted by VOTEC re RFP No. 12-28-29P

The deliverables in response to RFP No. 12-28-29P are:

- COTS software
- software customization
- training
- project management
- hardware optional

The proposed software is sophisticated with respect to Web communications, security, reliability, redundancy, and management functionality to a degree that major cost increases could be expected if delivery of the product and services were taken out of the hands of the experts who have been involved with the product from its inception.

Not only would extensive training be essential but given that the Elections Office has only one chance to get each election right, considerable extra vendor time and Elections Office time would be spent in double checking any newly trained personnel.

The optional hardware is comprised of commodity computers and peripherals and custom manufactured stands.
